

AMERICAN CONCRETE PUMPING ASSOCIATION

CONCRETE PUMPING

2015 MEDIA GUIDE

*THE OFFICIAL MAGAZINE OF
THE CONCRETE PUMPING INDUSTRY*

Digital and Mechanical **REQUIREMENTS**

The client assumes all responsibility for files that do not output correctly due to errors or omissions in specifications. Files requiring correction will incur charges of \$90.00 per hour. Client will be billed for these charges.

Acceptable Ad Design: Fractional page ads must be produced with a border or be self-contained. Ads must be submitted at the exact size the ad is to run per published dimensions. Full page ads must have an additional 1/8" beyond our trim size if they need to bleed. All live text or images must be kept 1/4" from the trim.

Graphics: Photo images must have an effective DPI of 300 at the actual size they are being used in the ad. Bitmap images must have an effective DPI of 600 to 1,200 at the actual size they are being used. Color Images must be saved in the CMYK color space (no RGB). B/W ads must only contain bitmap or grayscale images.

Trapping: Everything must be trapped to fit. Check each element within your submitted files for proper knockout, trap or overprint settings.

File Formats & Software: PDF files are preferred; fonts and graphics must be embedded. Graphics must be high resolution and quality (see Graphics section above). The following native application files are acceptable: QuarkXPress™, Macromedia Freehand™, Adobe Photoshop™, Adobe Illustrator™, or Adobe Pagemaker™. Supply all linked graphics and note the following section on fonts when sending native application files.

Colors: All colors must be set to output as Process Separation in all submitted files. All two-color ads must be process screen builds unless a PMS spot color is purchased.

Fonts: (This section does not apply when sending PDF files with embedded fonts.) If your native application file utilizes any typeface that is not included in the Adobe Font Folio collection, you must convert the type to paths/outlines in a drawing program (i.e. Illustrator or Freehand) or "text to box" in QuarkXPress™.

Mechanical Specifications: *Concrete Pumping* is printed either using four-color process (CMYK) on a heat-set web offset press or sheetfed press. Issues are saddle-stitched or perfect bound with a finished trim size of 7-7/8" x 10-1/2". Type and other images not intended to bleed must be kept at least 1/4" from final trim. Two-page spreads may bleed through the gutter. Bleeds must extend 1/8" beyond the trim on all sides. Ads must be submitted at the exact size the ad is to run in the book per published dimensions.

Proofs: A proof must be provided with all ads submitted.

Sending Files: Files may be sent via email to sue@concretepumpers.com or uploaded via yousendit.com (please call the national office for instructions at 614.431.5618).

Billing: Terms are net 10 days, or upon approval of credit, net 30 days following proof of publication. Rates are subject to change.

Production Charges: Rates are for space only and are based on receipt of required materials. Publisher will set minor additions, corrections in available faces. Artwork, typesetting, photostats, veloxes, stripping and all four-color work requested by the advertiser will be billed as quoted by suppliers.

Cancellations: Space cancellations will not be accepted after the published closing date. All cancellations must be in writing and none are accepted until confirmed in writing by the publisher.

Digital Edition: A digital version of each issue will be created and the link will be distributed to everyone on our Magazine E-Mail list. All ads and editorial will link to email address and websites when listed.

ACPA Membership/Discount: 15% ACPA membership discount for ACPA advertising members in "good standing" provided invoice is paid within terms. 15% of gross billing for display advertising space, color and special position premium to recognized agencies, provided account is paid within 30 days of invoice date. Agency commissions are disallowed if invoice is not paid within 30 days of invoice date; no exceptions. 1-1/2% finance charge accrues monthly to amounts 30 days or more in arrears. Mechanical and special production charges are non-commissionable. Publisher holds advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to the publisher.

General Information: All advertising material is subject to publisher's approval and agreement by the advertiser to protect the publisher from loss of expense of claims based upon the subject matter of the advertisement. Liability of the publisher for any error for which he may be held legally responsible will not exceed the cost of space occupied by ad. The publisher will not be liable for loss of income or profits or any consequential damage. Publisher reserves the right to reject any advertising that the publisher feels is not in keeping with the publication standards.
