

## Safety Product Catalog 2026

### Safety Certification & Safety Training

#### Boom Pump Operator Safety Training Course (ACPA University)

This course educates operators on the safety rules when operating a concrete boom pump. Topics include:

- Before the Job
- Setup
- Operation
- Hazards of the Job
- Cleanout and Maintenance
- Technical
- Training Your Coworkers

You must have successfully completed the Driver Training and Hand Signals courses before taking the Boom Pump Operator Safety Training.

**Member**  
Non-Member

**\$150.00**  
**\$330.00**

### Safety Certification & Safety Training Continued

#### Line Pump Operator Safety Training (ACPA University)

This online course is designed to educate operators on the safety rules when operating a line pump. Topics include:

- Before the Job
- Setup
- Operation
- Hazards of the Job
- Cleanout and Maintenance
- Technical
- Training Your Coworkers

You must have successfully completed the Driver Training and Hand Signals courses before taking the Boom Pump Operator Safety Training.

**Member** \$100.00  
Non-Member \$250.00

#### Conveyor Operator Safety Training (ACPA University)

This online course is designed to educate operators on the safety rules when operating a conveyor. Topics include:

- Before the Job
- Setup
- Operation
- Hazards of the Job
- Cleanout and Maintenance
- Technical
- Training Your Coworkers

You must have successfully completed the Driver Training and Hand Signals courses before taking the Conveyor Operator Safety Training.

**Member** \$100.00  
Non-Member \$250.00

Safety Certification & Safety Training Continued

**ALSO AVAILABLE ONLINE**

**Certification Test**

Safety education training is required before taking the exam. This training may be acquired by either attending an ACPA Operator Safety Seminar, completing the Operator Safety Training Course or Line Pump Operator Safety Training (for line pump certification only). Eng or Spa

<b>Member</b>	<b>\$70.00</b>
Non-Member	<b>\$245.00</b>

**FREE PDF ON WEBSITE**

**ACPA Certified Operator Study Guide**

This booklet contains important information and guidelines for the safe operation of concrete pumps and a useful tool to prepare for the Certification Test. English/Spanish Version, 40 pages.

<b>Member</b>	<b>\$11.50</b>
Non-Member	<b>\$23.00</b>

**ACPA Certified Operator Study Guide (Audio Files)**

Operators preparing for the ACPA Operator Certification Exam now have the option of studying for the test with the help of an audio version of the ACPA Operator Study Guide. Available via Flash Drive or Emailed Link, Eng/Spa.

<b>Member</b>	<b>\$23.00</b>
Non-Member	<b>\$57.50</b>

Safety Certification & Safety Training Continued

**Conveyor Certification Test**

Safety education training is required before taking the exam to become certified. This training may be acquired by either watching the Conveyor Operator Safety Presentation 5.0 online video or completing the Conveyor Operator Training Course on ACPA University. English Only

<b>Member</b>	<b>\$70.00</b>
Non-Member	<b>\$245.00</b>

**Line Pump Certification Test**

This guide lists and illustrates the hazards involved with maintaining a pump and the safety procedures recommended by the ACPA to avoid potentially dangerous situations. Illustrated, saddle-stitched, 20 pages

<b>Member</b>	<b>\$70.00</b>
Non-Member	<b>\$245.00</b>

**Operator Training Program (Full Program)**

A 23-day program that will guide you towards effectively training your new operators. English only.  
**Does not fulfill the Safety Education Requirement for ACPA Certification**

<b>Member</b>	<b>\$276.00</b>
Non-Member	<b>\$632.50</b>

Safety Certification & Safety Training Continued

**Operator Training Program (Additional User)**

A 23-day program that will guide you towards effectively training your new operators. Use in addition to the Full Program when training multiple operators. English only.  
**Does not fulfill the Safety Education Requirement for ACPA Certification**

<b>Member</b>	<b>\$149.50</b>
Non-Member	<b>\$270.25</b>

**ACPA UNIVERSITY**  
EST. 2024

Most materials such as Safety Manuals, Training Courses and Safety Videos and more are also available on ACPA-U.

Safety Decals

**Certification Logo Decal**

AVAILABLE ONLY TO ACPA CERTIFIED OPERATORS! Self-adhesive, peel and stick decal. 2.5"x 2.5" circular hard hat decal.

**Member \$1.00**  
Non-Member **\$2.25**

**ACPA Safety Trained Decal**

Free when attending an Operator Certification Seminar, Completion of Operator Safety Presentation 5.0 or Operator Training Program - Additional 2" x 2" hard hat decals available for purchase.

**Member \$0.75**  
Non-Member **\$1.75**

**Insist On It! Logo Decal**

Proudly display your commitment to safety-trained and certified professionals! 2"x 2" circular hard hat decal.

**Member \$0.75**  
Non-Member **\$1.75**

Safety Decals Continued

**"The Pumpers Pledge" Hard Hat Decal**

Support safety on the job by placing this 3" x 3" decal on your hard hat.

**Member \$1.00**  
Non-Member **\$3.00**

**"The Pumpers Pledge" Pump Decal**

Support safety on the job by placing this 7" x 7" decal prominently on your pump.

**Member \$3.00**  
Non-Member **\$5.75**

**Hand Signals Decal (Trailer Pump Only)**

Attach this decal to your trailer pump for use as a constant reminder to operators and especially for coworkers to know and understand proper use of hand signals while on the job. 8.5" x 3" self-adhesive, peel and stick decal.

**Member \$2.50**  
Non-Member **\$4.75**

Safety Decals Continued

**Hand Signals Decal**

Strategically placed on your concrete pump or placing boom, this decal will provide your operators with a handy reference guide to the proper safety hand signals used on the job. 10" x 7.25" self-adhesive, peel and stick decal.

**Member \$3.00**  
Non-Member **\$5.75**

**Equipment Decal**

7" x 7"  
Peel & stick

**Hard Hat Decal**

3" x 1.5"  
Peel & stick

**We Are Safer Together Decals**

By now, all of our Class 1 and Class 3 members should have received complimentary hard hat stickers and equipment decals by mail. Please share them with your employees, customers and partners. If you wish to order more, please send requests to [SaferTogether@concretepumpers.com](mailto:SaferTogether@concretepumpers.com) or call the ACPA National Office at 614-431-5618.

For more information about this campaign, please visit [wearesafertogether.org](http://wearesafertogether.org)

Safety Videos & Recordings

**Monthly Safety Training Series (Set of 12)**

Based on the monthly trainer's guide, these videos feature Mr. Les Ainsworth, a 40+ year veteran of the concrete pumping industry and an avid proponent of concrete pumping safety training and practices. Includes CD-ROM of review questions and answer key. English only

<b>Online Video Member</b>	<b>\$189.75</b>
Online Video Non-Member	<b>\$517.50</b>
<b>DVD Member</b>	<b>\$224.25</b>
DVD Non-Member	<b>\$569.25</b>

**Coworker Safety & Hose Handling**

This instructional video educates workers in safe work practices when placing concrete with a concrete pump. It is designed to educate workers about dangerous areas, how to disable the pump in an emergency and safe hose handling techniques. English/Spanish

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**The Ray Ainsworth Story (Electrocution)**

A case study of the number one killer in the workplace - electrocution. Ray Ainsworth, a survivor of a high-voltage accident, shares his story and his tips on power line safety. English only

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

Safety Videos & Recordings Continued

**Before and After the Job**

This video features not only step-by-step instructions on preparing your pump for the job and proper driving techniques, but also covers critical safety points such as the three-point rule. English/Spanish

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**Set Up and Clean Out**

This presentation is intended to assist in the safe methods of setup and cleanout, and features important topics such as the ACPA one-to-one rule, outrigger extension and moving on the job as well as a comprehensive segment on cleaning out when experiencing a blockage. Eng/Spa

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**Line Pump Safety**

This video focuses on the very important and constantly growing segment of concrete pumps that use a two to three-inch delivery system, and touches on the capabilities, safety, operation and maintenance of trailer, truck or skid-mounted concrete pumps and accessories. English Only

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

Safety Videos & Recordings Continued

**The More You Know, the Safer It Gets**

Take the time to do it safely. This video touches on all aspects of a safe day on the job. Follow "Bob" through a day in the life of a concrete pump operator from the pre-dispatch inspection to cleanout. English/Spanish

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**High-Rise Placement**

A must have for any company that uses placing booms. This video features inspection, setup, operation and cleanout of a placing boom and documents the latest evolution in technology and procedures for a typical high-rise project. English/Spanish

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**Safe Work Practices Around a Concrete Pump**

This video covers over 15 topics, which demonstrate ways to be safer around concrete pumps based on industry standards to provide general safety practices. Eng/Spa

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

Safety Videos & Recordings Continued

**Safety Rules for Ready Mixed Drivers**

This video outlines safety procedures and hazards such as: when and when not to hit the emergency E-stops, what happens if air gets sucked into the pump; ACPA hand signals and electrocution hazards—just to name a few. English/Spanish

<b>Online Video Member</b>	<b>\$28.75</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$34.50</b>
DVD Non-Member	<b>\$69.00</b>

**Coworker Safety Training v.3.0.1**

This simple-to-use PowerPoint presentation effectively communicates the importance of many safety tips — from wearing the correct protective equipment to using clear and concise hand signals. English/Spanish

<b>Online Video Member</b>	<b>\$23.00</b>
Online Video Non-Member	<b>\$57.50</b>
<b>DVD Member</b>	<b>\$28.75</b>
DVD Non-Member	<b>\$69.00</b>

**Safety should be your first priority!**

Safety Publications

**Safety Manual v.7**

A must-have guide for the prevention of accidents when driving, operating, cleaning and maintaining concrete pumps, placing booms and related equipment. Illustrated, bound, 96 pages. English or Spanish

<b>Member</b>	<b>\$17.25</b>
Non-Member	<b>\$57.50</b>

**Line Pump Safety Manual v.7**

A must-have guide for the prevention of accidents when driving, operating, cleaning and maintaining line pumps and related equipment. Illustrated, bound, 68 pages. English or Spanish

<b>Member</b>	<b>\$17.25</b>
Non-Member	<b>\$57.50</b>

**Coworker Safety Rules Combo v.7**

This combination, English/Spanish, guide provides a precise description of the “rules of the road” for laborers, oilers, and the placing crew working around a concrete pump. Illustrated, saddle-stitched, 36 pages

<b>Member</b>	<b>\$5.75</b>
Non-Member	<b>\$9.50</b>

Safety Publications Continued

This guide provides a precise description of the “rules of the road” for laborers, oilers and the placing crew working around a concrete pump. Illustrated, saddle-stitched, 18 pages. English or Spanish

<b>Member</b>	<b>\$3.50</b>
Non-Member	<b>\$5.75</b>

**Ready Mixed Safety Manual Combo**

This combination, English/Spanish, is an easy-to-follow document that provides safety guidelines for ready mix concrete truck drivers who are making deliveries to concrete pumps. Illustrated, saddle-stitched, 28 pages.

<b>Member</b>	<b>\$5.75</b>
Non-Member	<b>\$9.50</b>

**Ready Mixed Safety Manual**

This easy-to-follow document provides safety guidelines for ready mix concrete truck drivers who are making deliveries to concrete pumps. Illustrated, saddle-stitched, 16 pages. English or Spanish

<b>Member</b>	<b>\$3.50</b>
Non-Member	<b>\$5.75</b>

Safety Publications Continued

**ICF Safety Manual**

This document is intended to be a reference tool kept close at hand for the purpose of educating ICF laborers and the placing crew working near the concrete pump or boom. Illustrated, saddle-stitched, 16 pages. English

**Member \$3.50**  
Non-Member **\$9.50**

**Air Entrainment Report**

The compilation of a series of tests conducted to compare the air content, air void system parameters and freeze-thaw durability of air-entrained concrete as influenced by various methods of placement and consolidation. 20 pages

**Member \$11.50**  
Non-Member **\$57.50**

**Safety Procedures: When Maintaining a Concrete Pump**

This guide highlights the hazards involved with maintaining a pump and the safety procedures recommended by the ACPA to avoid them. Illustrated, saddle-stitched, 10 pages. English Only

**Member \$3.00**  
Non-Member **\$5.75**

Safety Publications Continued

**Safety Procedures: Use of Compressed Air in High Rise Cleanout**

A must-have guide for the prevention of accidents when driving, operating, cleaning and maintaining line pumps and related equipment. Illustrated, bound, 68 pages. English Only

**Member \$3.00**  
Non-Member **\$5.75**

**Hand Signals Laminated Card**

This high-quality hand signals guide will come in handy out in the field. The life-proof material assures that it will hold up to even the toughest weather and jobsite conditions. Each card includes both an English and Spanish hand signals. 9.75" x 6.5"

**Member \$2.50**  
Non-Member **\$3.50**

**Boom Pump Safety Tips Book**

This document of 52 Safety Tips is currently under construction for updates but may still be accessed as a FREE download from the Members-Only section of the website as individual tips or as one PDF booklet.

**Member FREE**  
Non-Member **N/A**

Safety Publications Continued

**ACPA Safety Bulletins** *Each sold separately*

These publications address the top safety concerns and hazards in the industry and how to avoid and/or handle them while on the job. Illustrated and saddle stitched - pages vary by bulletin. Bulletins currently available include:

- Back-End Protection
- Blowout Cap
- Clean Out Procedures
- Concrete 101
- Concrete Burns
- Crane Use Prohibited for Boom Extension
- Do Not Use a Boom as a Crane
- Double S-bend Elbow or "Rams Horn" Can be Deadly
- Electricity—The Rules
- Heat Stress Prevention
- Hose Whipping Part I
- Hose Whipping Part II
- Safe Practices for the Intended Use of Concrete Delivery and End Hoses
- Setting Outriggers to Prevent Accidents
- Setting Outriggers to Prevent Accidents II - Shortrigging
- The Most Hazardous Stroke of the Day
- Use of Lay-Flat Hose

Safety Posters

# Display Your Safety Posters Proudly!

**Safety Poster: Driving Hazard**

Rear-end collisions are the most common traffic accidents with concrete pumps. It takes a lot longer to stop a pump than a car. Remain alert and follow extra distance between you and the vehicle you're following. 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

**Safety Poster: Getting a Spotter**

Whenever power lines are in the area to be poured, insist on a dedicated spotter before unfolding your boom. 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

Safety Posters Continued

**Safety Poster: Hose Whipping Hazard**

When first starting, after moving the pump, or whenever air may have entered the line, keep everybody a reasonable and prudent distance away from the discharge hose until concrete is flowing smoothly. 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

**Safety Poster: Power Line Hazard**

Maintain at least a 20-foot clearance from power lines (50 feet above 350Kv). 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

**Safety Poster: Texting/Mobile Device Warning**

Never text or talk on your phone while driving or operating the concrete pump. 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

Safety Posters Continued

**Safety Poster: Tipping Hazard**

Outriggers must be completely extended and the unit jacked to within 3 degrees of level, as described in the operation manual. 22" x 17"

**Member \$4.75**  
**Non-Member \$11.50**

**Complete Safety Poster Set (6 Posters)**

Each 22" x 17" poster illustrates an important safety hazard of working around a concrete pump on the job site. This set of (6) posters is a great "tool" for any shop. English Only

**Member \$23.00**  
**Non-Member \$46.00**

**Job Site Safety Poster**

This large-scale 24" by 36" poster highlights some of the common workplace accidents associated with concrete pumps and is intended to be displayed on any job site where a concrete pump may be in use.

**Member \$5.75**  
**Non-Member \$11.50**

Additonal Options

### Customizable Do's & Don'ts Cards:

Customize these 4" x 9" rack cards with your company logo and contact information and then distribute to contractors, customers and coworkers in your area.

Card Topics Available:

- The Do's and Don'ts of Concrete Pumping (contractors)
- The Do's and Don'ts for Hose Handlers (coworkers)
- The Do's and Don'ts of Delivering to Pumps (ready mixed)
