# Dear Exhibitor,

On behalf of ACPA, I would like to thank those of you who have supported the ACPA Education Conference over the years and who continue to support the conference as it grows to become the education source for the concrete pumping industry. In 2016, 125+ manufacturers, distributors and concrete pumpers from across the country came together for ACPA's largest and most successful Education Conference to date.

The 2017 ACPA Education Conference is scheduled for October 2-3, 2017 at the Gaylord Texan Resort & Convention Center in Grapevine, Texas (a suburb of Dallas). This year's event continues the exciting transition for the exposition portion of ACPA's Education Conference as we continue to expand the size of the exposition hall. This is also the second year we will be co-located with NRMCA's ConcreteWorks. NRMCA's presence brings even more equipment and industry personnel to the show and we are very excited about our continued partnership.

The application process this year is different than in years past as we are moving toward a priority formula for the assignment of exhibit space. Exhibit space is assigned in the order of priority points prior to July 1. After July 1, applications received will be assigned on a first-come, first-served basis.

ACPA looks forward to your participation and involvement. Please do not hesitate to call the ACPA National Office directly with any questions at (614) 431-5618 or by email at [sue@concretepumpers.com](mailto:sue@concretepumpers.com).

Sincerely,

Beth Langhauser  
ACPA Board President / Conference Chair

## ASSIGNMENT OF EXHIBIT SPACE

**PRIORITY FORMULA** – Beginning this year, a priority formula will be used in the assignment of exhibit space. The formula is as follows:

Years Exhibiting x10	+	$\frac{\text{Total SF in 2016 show}}{100}$	=	Priority Number
----------------------	---	--	---	-----------------

### DEFINITION OF YEARS EXHIBITING NUMBER

Exhibition Management will use the total number of years a company has exhibited in either the ACPA Education Conference or NRMCA's ConcreteWorks, whichever is greater. To maintain fairness to exhibitors from both events, this calculation will be based on participation in ACPA's Education Conference since the year 2007 (6 prior shows), or participation in NRMCA's ConcretWorks since the year 2010 (6 prior shows).

### DEFINITION OF PAST PARTICIPATION SF NUMBER

Exhibition management uses the total square footage purchased by an exhibitor for the ACPA Education Conference/NRMCA's ConcreteWorks. If a company acquired another company(s), the parent company can use the newly acquired company(s) space as part of its total, but cannot exceed the maximum space sizes allowed by the rules and regulations.

## EXHIBIT SPACE ASSIGNMENT PROCESS

**APPLICATIONS RECEIVED PRIOR TO JULY 1, 2017:** Applications and payment received prior to this date will be part of the Priority Assignment Process. The first assignment of exhibit space priority will be based on the above mentioned priority formula, with the process as follows: All past exhibitors in the ACPA Education Conference and/or NRMCA's ConcreteWorks will be assigned by priority number first. All new exhibitors will then be assigned in the order in which they were received.

**APPLICATIONS RECEIVED ON OR AFTER JULY 1, 2017:** Applications received on or after this date will be assigned on a first-come, first-serve basis by exhibition management.

No applicant will be allowed to select an exhibit space unless the application is signed and payment has been received. Exhibition management will make every attempt to accommodate every request for space, including the preferred location and booth dimensions. Exhibition management reserves the right to reassign exhibitors at any time during the show planning process. In the event that all available space has been assigned, a waiting list for space will be kept. When an opening becomes available, exhibit space will be assigned on the basis of the date the application was received.

Exhibit space costs for the 2017 ACPA Education Conference can be found on the exhibitor application and registration form. All applications received by July 8 will be assigned booth space at the same time, no later than July 22. All applications received after July 8 will be processed as received.

The hall will be "open for business" beginning on Sunday with the opening ceremony and extended hours leading into the welcome reception. On Monday and Tuesday, in addition to the meal activities (breakfasts, lunch, receptions, breaks, etc.) that will take place in the hall, there are also several hours during which there are no competing activities—this is dedicated exposition time for our registrants to be able to spend in the hall with you, without having to choose between that and other activities. During the times where other activities take place (such as the education sessions), the hall will remain available to you should you have any side meetings you may want to schedule with customers and prospective customers.

Covered exhibits, canopies and/or multi-level exhibits are not permitted during the exhibition.

## PLATFORMS

Equipment and viewing platforms are not limited in height, but may not exceed the height of the equipment.

## TOWERS

A tower is considered a freestanding exhibit component separate from the main exhibit fixture that is used for identification and display purposes only.

Towers will be permitted to a height and depth that correspond to the height restrictions for the appropriate exhibit configuration of which they are a part. For example, towers that are part of a peninsula exhibit will not exceed 20 feet/6 meters in height.

All towers in excess of 15 feet/4.5 meters must have drawings available for inspection by show management and the official general contractor during the time the tower is being erected, exhibited and dismantled at the exposition site. The plans must include a signature or stamp of a reviewing structural engineer indicating that the structure designed is properly engineered for its proposed use. A signature of an authorized official of the exhibit building company indicating that the structure is built in compliance with the details and specifications set forth on the drawings must also be included.

## SIGNS ON EXHIBITS OR PRODUCTS

No company sign or advertising shall be displayed at a height that exceeds the outer wall height of the stand or the maximum wall height for that area, except that the name, trademark or insignia used on a product as sold may be carried on the product exhibited.

## PROTECTION OF HOTEL PROPERTY

Exhibitors and their third-party representatives shall be fully responsible to pay for any and all damages to property owned by the Gaylord Texan Resort & Convention Center or ACPA, which results from any act or omission of exhibitors or third-party representatives, including the cost for removal of excessive amounts of debris.

Nothing shall be pasted, tacked, taped, nailed, screwed or otherwise attached to columns, walls, floors or other parts of the building or furnishings. Exhibitor agrees to leave the property in the same condition as existed at the start of installation.

## EQUIPMENT SALES, SOLD SIGNS & CUSTOMER NAMES

Any exhibitor may receive orders for, or sell its equipment during the exposition and shall be responsible for collecting and paying any applicable local, state and federal taxes and for obtaining any necessary licenses needed to sell merchandise.

No "SOLD" or "FOR SALE" signs or signs listing the price are allowed to be displayed on products. Permanently affixed customer names may be included on products but are limited to eligible products and cannot be included on any signs or literature.

## ADHESIVE-BACKED DECALS

Adhesive-backed (stick-on) decals or similar items (except nametags) are not permitted and may not be distributed by exhibitors.

## EXTRA LIGHTING

All special illumination must be indirect and completely shielded so as to eliminate glare and interference with other exhibitors and guests. All lights must comply with fire marshal requirements for the facility. The use of flashing or rotating lights will not be allowed. Products on display which have such lighting must be pre-approved by show management.

## INFLATABLE OBJECTS

Static helium balloon displays are permitted in the Gaylord Texan Resort & Convention Center, however, when released are difficult to retrieve and require the use of an aerial lift. The exhibitor will be charged for any cost incurred to remove the balloons at the end of the event. Helium balloons may not be used as giveaways. The use of mylar balloons is prohibited in the facility.

## MOTION & NOISE CONTROL

Loudspeakers of any kind must be directed toward the interior of the exhibitor's exhibit space. Speakers may not face aisles or other exhibitors' booths.

Demonstrations found by show management to be objectionable due to noise or sound pressure/vibration levels will be closed down. Show management recommends noise levels not to exceed 10 decibels above ambient levels. Measurements will be taken by show

management during exposition hours from a distance no greater than 10 feet from the offending display.

First Warning Action – The exhibitor will be issued a written warning indicating a violation has occurred and instructing the exhibitor to immediately lower the noise level.

Second Warning Action – The source of the noise shall be shut off for a maximum of one (1) hour.

Third Action – The source of the noise shall be shut off for the remainder of the exposition. There will be no refund, in whole or in part, of any exhibit fees.

Exhibitors are responsible for supervising the actions of employees, visitors and spectators testing display equipment located in their exhibit area. Exhibitors must take every effort to respond to neighboring exhibitors' complaints concerning noise, sound and/or vibration nuisances.

## LANDSCAPING MATERIALS

To prevent a delay in handling such materials used in an exhibit, materials must be delivered to the Gaylord Texan Resort & Convention Center in bags or in another manner approved by the official general contractor. Installation and removal is the exhibitor's responsibility and at its expense.

## SOUND DEVICES, MOVIES, SLIDES, VIDEOS & TV

Audio-visual presentations and closed circuit exhibitor-generated materials are permitted within a given exhibit as long as they are not operating to the detriment of a neighboring exhibitor. The use of sound devices such as megaphones, loudspeakers or other devices to attract attention is prohibited. The operation of radio or television sets receiving outside broadcasts is prohibited. Recording, filming, taping with hand held or tripod mounted video equipment in the exposition hall is prohibited without the permission of both show management and the exhibitor or exhibitors being recorded, and these activities cannot interfere with exhibit operations or pedestrian traffic. Exhibitors shall be responsible for securing any and all necessary licenses or consents for any performances, displays or other uses of copyrighted work, patented inventions or other intellectual property in

connection with their exhibit, housing and hospitality facilities at the exposition. Show management and ACPA are authorized to record and use audio-visual materials recorded at the 2017 ACPA Education Conference.

Radio and television reporters and cameramen seeking "news segments" during exposition hours must obtain and wear official PRESS CREDENTIALS during their visits and their activities cannot interfere with exhibit operations or pedestrian traffic.

## **SUBMISSION OF FLOOR PLANS FOR 1,000 SQUARE FEET OR LARGER**

Exhibitors with exhibit space of 1,000 square feet or larger must submit a detailed floor plan to show management for approval no later than August 8, 2017. The floor plan should include the dimensions, height and descriptions of all structures in the exhibit including signs, walls, drapes and products to be displayed. All plans will be treated in strict confidence. All exhibitors will receive written approval from show management of their floor plans within 30 days of the submission date. If your company does not receive written approval from show management, do not assume approval has been granted.

Exhibitors and exhibitor-appointed contractors are required to comply with all exhibit stand regulations when designing their company's exhibits. Show management recognizes floor plan modification can happen during show planning, however, these modifications can impact neighboring exhibitors. Any modifications to the approved floor plan made prior to the show installation by the exhibitor or its appointed contractor must be re-submitted for approval by show management. Any modifications to the approved floor plan made on-site during show installation must be approved by show management prior to implementing the change. Modifications made without the consent of show management may be denied and any costs incurred are at the expense of the exhibitor.

Floor plans can be emailed to show management at: [sue@concretepumpers.com](mailto:sue@concretepumpers.com)

All exposition rule restrictions pertaining to height, signs, etc., do not include the exhibitor's products. Exhibitors are warned not to depend upon measurements

scaled from the exposition floor plan; if detailed measurements are required, contact show management. Exhibitors are cautioned not to arrange for their exhibit construction until written approval of their dimensional sketch has been given by show management.

## **SECURITY & SAFETY**

### **SECURITY**

Every reasonable precaution will be taken to protect property during the installation, exposition and dismantling periods, however, show management, ACPA, service contractors nor the Gaylord Texan Resort & Convention Center are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism or other causes. Show management recommends that exhibitors make special arrangements for additional protection of their stands if desired.

### **SAFETY DEVICES**

The exhibitor agrees to accept full responsibility for compliance with federal, state or local safety, fire and other regulations to provide and maintain adequate safety devices.

### **FLAMMABLE MATERIALS**

Vehicles that remain in the Gaylord Texan Resort & Convention Center as part of a display must have the battery cables disconnected. The gas tank must either be taped shut or have a lockable gas cap and may contain no more than one-quarter (1/4 tank or five (5) gallons of fuel, whichever is less. During move-in / move-out of these materials, a fire marshal may be required at the prevailing rate.

The use of welding equipment, open flames or smoke emitting material during installation, as part of an exhibit, or during dismantling is strictly prohibited.

No flammable materials of any nature, including decorative material, may be used in any booth. In accordance with federal, state and local fire regulations any fabric used in a booth shall be flameproof. All lighting must comply with local fire regulations.

## **PROMOTING YOUR STAND ON-SITE**

### **FOOD & BEVERAGE SERVICE**

Any food or beverages, including bottled

water and alcoholic beverages (this includes food or beverage items used for promotional purposes) to be distributed by an exhibitor must be ordered from and are subject to regulation and permit requirements of the Gaylord Texan Resort & Convention Center.

Alcoholic beverages as with all other food & beverage may not be served by anyone other than an authorized employee of the Gaylord Texan Resort & Convention Center. The exhibitor must obtain host liquor liability insurance and provide show management with documentation of the insurance.

### **LITERATURE DISTRIBUTION**

Circulars, catalogs, magazines, folders and other matter may be distributed only at the exhibitor's booth and must be related to the products and/or services on display or eligible for display (see Eligible Equipment above) and which are directly available from the exhibitor.

Distribution from booth to booth or in the aisles is forbidden, and exhibitors must confine their exhibit activities to the space for which they have contracted. Strolling entertainment or moving advertisements (robots, persons carrying or wearing signs, scooters, etc.) outside an exhibitor's space is not permitted. Repeat violations will result in the confiscation of materials/promotion items involved in the violations. (Please see "Penalties for Violations of Exposition Rules" on page 12.)

Only literature published or approved by show management may be distributed in the registration area, meeting rooms, exhibit hall (outside the individual booths) or on transportation provided by show management. Canvassing on any part of the Gaylord Texan Resort & Convention Center property is strictly prohibited and any person doing so will be requested to leave the premises and his/her material will be removed at the same time. The only exception to this rule is those survey organizations that may be utilized by show management.

### **LOTTERIES & CONTESTS**

As permitted by law, exhibitors will be allowed to hold lotteries, contests, games of chance and giveaways in their assigned space. Exhibitors are responsible to be aware of and abide by all local, state and federal laws regarding this topic. There

is no public address system available to announce winners.

## PRESS CONFERENCES

Press conferences during exposition days shall be coordinated through show management and held in rooms designated by show management. Suitable rooms on the exposition grounds will be made available for exhibitors interested in conducting a press conference, briefing or other event involving invitations to accredited media attending or traveling to the exposition. Exhibitors must apply for the meeting room space, make arrangements for the media function and obtain authorization for the event through show management by completing the press conference request form in the exhibitor services manual. Every effort will be made to accommodate all requests.

Events involving an invitation to accredited media must be sponsored and administered by exhibitors in the exposition who shall accept responsibility for adherence to the official exposition rules and regulations. No press conferences will be allowed during exposition hours outside of this designated area, including hotel, restaurant or demonstration areas.

## PRIZES & GIVEAWAYS

Distribution of giveaways or drawings for prizes is permitted in the booth during the exposition. Exhibitors may not distribute items that, in the opinion of ACPA, can be distracting (i.e. whistles). Food or beverages (including bottled water) to be distributed by an exhibitor must be ordered from the Gaylord Texan Resort & Convention Center. Exhibitors are responsible for federal, state and local laws and taxes, if any.

## PROMOTIONAL ITEMS

Promotional items directly related to the exhibitor's business and products (company hats, t-shirts, scale models, etc.) may be sold at the exposition, if desired. Food or beverages (including bottled water) to be distributed by an exhibitor must be ordered from the Gaylord Texan Resort & Convention Center. This is considered a method of promoting interest in the exhibitor's equipment and/or services, similar to the distribution of sales literature, technical information, etc. The exhibitor is responsible for collecting and paying any applicable local, state and federal taxes.

## USE OF CONFERENCE LOGO

The exhibitor acknowledges that the exposition names and logos are trademarks owned by ACPA. Appropriate use of the exposition names and logos are permitted by companies exhibiting at the 2017 event that wish to publicize the exposition and/or the fact that the exhibitor is participating in the exposition. Any reproduction of the exposition logo shall include the trademark symbol.

Exhibitors at the 2017 ACPA Education Conference may also request permission from show management to use the Show name and logo on commemorative items to be given away by the exhibitor. Any request shall be made in writing to show management, describing the proposed use, the type of items on which the name and logo would be placed and a statement that such items would not be sold. Show management reserves the right to deny any request, or any use of the exposition name and logo, that it finds to be inappropriate, offensive or not in the best interests of the exposition.

## MEETING/FUNCTION SPACE – Gaylord Texan Resort & Convention Center

### UTILIZATION OF MEETING/ FUNCTION SPACE

Show management and ACPA have the authority to approve or deny the rental of any meeting/function space at the Gaylord Texan Resort & Convention Center to organizations affiliated with the 2017 ACPA Education Conference. Only exhibitors, sponsors, supporting organizations or officially co-located groups will be permitted to utilize meeting/function space.

This space can be used for hosting social functions, hospitality suites, promotional events, focus groups, research activities, client meetings, staff offices and staff training. Meeting space cannot be used for exhibits or be subleased.

Any fees or service charges associated with the meeting/function space during rental, including but not limited to room set fees, electrical, patch fees, catering, AV, special staging, special furniture, etc. will be set by the Gaylord Texan Resort & Convention Center and are the sole responsibility of the requesting organization. Nothing can be affixed to meeting room walls or doors

without written approval of the Gaylord Texan Resort & Convention Center.

## ENTERTAINMENT RULES

Exhibitors are not allowed to utilize hospitality suites outside of their rented booth space during exposition hours, nor during time periods when official events of the ACPA Education Conference are scheduled.

## FIELD TRIPS

No event within 100 miles of the Gaylord Texan Resort & Convention Center organized by manufacturers, service providers, dealers or distributors to manufacturers or service providers' plants/facilities or equipment installations are permitted during the official exposition period which runs from Saturday, September 30, through Tuesday, October 3, 2017.

## INVITATIONS

Exhibitors are encouraged to communicate with exposition visitors in advance of the exposition urging visits to exhibit booths or hospitality suites.

Pre-printed cards suitable for distribution to exposition visitors as invitations to visit hospitality suites are permissible, provided the information on such cards is limited to company name, room or suite name/number, name of the individual handing out the card, and the hours, within the limits of this general policy, when the hospitality suites will be open. Invitations are limited to exhibitors.

## AGREEMENT & ENFORCEMENT OF RULES

### CLOSING EXHIBIT BOOTH EARLY

Any exhibitor who begins to dismantle or pack part of their exhibit before the official closing time of the show will be considered to be in violation of the exposition rules and subject to penalties as described below.

## AGREEMENT TO RULES & LAWS

The exhibitor agrees that the exhibiting company and its employees and agents will abide by these rules and by any amendments that may be put into effect by show management, provided that such amendments shall not substantially diminish rights or increase the liability of an exhibitor (and written notice is given to exhibitors). Further, the exhibitor agrees to comply

with all local, state and federal laws and regulations. The exhibit space application & contract form must be signed by an official of the exhibiting company indicating that these rules have been read and agreed to before any space assignment will be made. Exhibitors will receive a copy of their signed contract along with their confirmation letter.

SHOW MANAGEMENT RESERVES THE RIGHT TO RESTRICT ACTIVITIES AND RESTRICT AND/OR CLOSE EXHIBITS WHICH, IN THE OPINION OF SHOW MANAGEMENT, ARE OR BECOME OBJECTIONABLE. This includes persons, things, conduct, printed matter or anything of a character which is deemed not to be in the best interest of all exhibitors or show management. An exhibitor's space shall not be used to publicize meetings to be held outside the exposition that will detract from exposition attendance. All matters and questions not covered by these rules and regulations and all interpretations of these rules and regulations are subject to final decision by show management. Any questions should be addressed to show management.

## **RIGHT OF ENTRY AND INSPECTION**

Show management in its absolute discretion shall have the right at any time to enter the area occupied by exhibitors or otherwise inspect the exhibitor's materials.

## **ENFORCEMENT OF EXPOSITION RULES**

Reasons for enforcement – The primary reasons for the enforcement of exposition rules are to 1) protect the integrity of the exposition, its participants, owners and show management; 2) ensure compliance with the laws, codes, ordinances and contracts of the exhibit facility, municipality and the state in which the exposition is held, and 3) ensure that all exhibitors are treated fairly.

## **PROCEDURES FOR IDENTIFYING AND HANDLING VIOLATIONS**

1. An exhibitor should contact show management if there are any questions concerning the procedures for identifying and handling violations of the exposition rules and regulations.
2. Show management will routinely inspect the exhibit floor during

exposition installation, exposition days and dismantling. Its duty will be to assist in the interpretation and enforcement of the rules. Show management will have the final decision concerning all exposition rules.

3. Upon discovery of a violation of the exposition rules in an exhibit, show management will issue a written notice to the exhibitor representatives in the exhibit and explain the nature of the violation.
4. The violation must be corrected a) immediately if the violation poses a safety hazard, b) by 1:00 p.m. on October 1, 2017 if the violation occurs during exposition installations, or c) before the opening of the next exposition day, if the violation occurs during exposition days. If the exhibit in violation is unoccupied, show management will do its best to alert the representatives of the exhibit, but if unreachable, will correct the violation.
5. Violations involving ineligible equipment or exhibitors must be corrected IMMEDIATELY during exposition days and are subject to the penalties listed below.
6. An exhibitor receiving notice of a violation will have its exhibit re-inspected by show management.
7. If the inspection reveals that the violation has not been corrected or if the same violation is found at any time after the first violation, a second notice will be given and the procedures noted above for the first violation will be repeated.
8. Failure to correct a violation immediately in the case of ineligible equipment (see item 5 above) or a safety hazard violation (see item 4 above) or after the second notice in the case of other violations, or a third occurrence of the same violation will result in a penalty being administered by show management in accordance with the exposition rules and regulations listed below.
9. An exhibitor wishing to appeal a violation notice must do so by contacting show management within the time allowed on the written notice to correct the violation.

## **PENALTIES FOR VIOLATION OF EXPOSITION RULES**

Show management reserves the right to penalize an exhibitor for an uncorrected violation in the exposition rules and regulations. Violations during the installation period or exposition days will result in one or more of the following:

3. Removal of the item in violation at the exhibitor's expense.
4. Loss of priority points for next exhibiting year.
5. Other sanctions as deemed appropriate by show management.

In addition to the above sanctions, the ACPA Education Conference show management reserves the right to impose and enforce additional sanctions, including but not limited to barring the exhibitor from participation in one or more future expositions. All decisions shall be final.
